Authentic. Inspiring. Innovative.

“

I've attended 6 great conferences in the direct selling industry. I have heard great speakers, but Lynn was the first one that seemed to speak directly to ME!!

**Lynn Bardowski**, the founder of Million Dollar Party Girl, is a belief-building fireball who empowers Direct Sellers to stop overthinking and start doing.

**Awarded Top 101 Women in eCommerce**, Top 100 Small Business Influencer and Enterprising Women of the Year, Lynn is a global influencer whose inspiring WAHM success story has been featured on Forbes, Huff Post, CBS, FOX and more.

**Lynn discovered her passion and purpose (and a solution to Mommy-guilt) at a direct sales home party.** Following her inner Visionista, she had the courage and belief to leave the safety net of a successful career and go all-in on her dream. As a record-breaking recruiter and developer, she quickly built to the highest level of the compensation plan by the end of her second year. Lynn's contagious vision and innovative ideas created a thriving multimillion-dollar downline organization that sustained success for over two decades, until her retirement as a top leader in 2017. Audiences relate to Lynn because she walks the walk and talks the talk.

**Lynn is the author of two Amazon best-sellers**, "Success Secrets of a Million Dollar Party Girl" and "Facebook Party Secrets of a Million Dollar Party Girl", and is the co-creator of Party Plan School and Livestream School For Direct Sellers.

“

I love learning from someone who has 'been there', is approachable, hands-on, speaks truth & is innovative.

Lynn is all that and more!

Her training has helped me to build expertise & implement actual tried & true systems that work.
